Change The Conversation

Empowering Epilepsy is a non profit 501(c)3 organization dedicated to creating a seizure controlling/preventative community for people with epilepsy and their families in Northeastern Ohio. We provide free services and support to enable people with epilepsy to focus on their mind, body, and spirit and take charge of their lives.

Purple Day®, celebrated on March 26th annually, is an international grass-roots effort to increase epilepsy awareness world wide. People are invited to wear purple and host events in support of epilepsy awareness.
